

It is the goal of Sheridan's Studio 1 to provide the best possible dance performance training. We are passionate about teaching proper techniques as well as discipline, dedication and love and respect for the art!

### ATTENDANCE

Regular attendance is essential for a dancers progression and development. It is extremely important that students commit to their dance training. A portion of each class is devoted to reviewing any work from past weeks lessons. It takes twice as much time to teach a student who is repeatedly absent compared with a student who attends class regularly. If a student is ill or finds it necessary to miss a lesson, then they may make up the lesson in a corresponding class. There will be no deductions or refunds for absences, regardless of the reason.

### STUDIO UNIFORM

Correct dance attire is essential for all classes. Studio uniforms and dancewear is available from our dancewear shop. Girls are required to wear studio leotard with pink tights and ballet shoes for Classical dance classes. Other classes, students may wear leggings or dance shorts and crop top with the correct dance shoes. No baggy clothing or jewelry will be allowed. Hair must be pulled back neatly off the face.
