

It is the goal of Sheridan's Studio 1 to provide the best possible dance and performance training. We are passionate about discipline, dedication and love and respect for the art!

ATTENDANCE

Regular attendance is essential for your progression and development. It is extremely important that students commit to their dance training. A portion of each class is devoted to reviewing any work from past weeks lessons. It takes twice as much time to teach a child who is repeatedly absent compared with a child who attends class regularly. If you are ill or find it necessary to miss a lesson, you may make up the lesson in a corresponding class. There will be no deductions or refunds for absences, regardless of the reason.
